Have you Registered to Vote?

In 2006, about one-third of the seats in the Senate and all of the seats in the House of Representatives will be up for election. Your state or locality may also have important elections this year. Register today so you can be ready to vote by absentee ballot!

Check if your state or local Board of Elections has a website. If so, it is probably fastest to make your absentee ballot request directly to them. If you can't find such a website, visit the Federal Voting Assistance Program website at www.fvap.gov. Online Federal Post Card Applications are available from them at <http://www.fvap.gov/pubs/onlinefpca.html>. Hard copy versions are available at the Embassy, but applying online will eliminate the risk of mail delays.

If you need additional help, please feel free to visit the U.S. Embassy's American Citizen Services Unit in person, or email us at seoul_acs@state.gov.
